Dear Enthusiastic Dipsite

Summer Vacation is a time for fun and frolic, going out, exploring new places, basking the sun, playing and much more. Summer is a time to relax, be productive and to get ahead. As important as it is to rest and sleep, it is also important to continue to learn. To enhance your learning, we have planned activities to keep your skills sharp and concepts clear. Optimize your time, use your energy, and give a vent to your creativity. It will surely enhance your learning process.

Relax, enjoy, have lots of fun and come back to school refreshed.

POINTS TO REMEMBER

1. Read books, fables or comics. Surf the imaginative world and go on a fantasy tour.
2. Run, exercise, sweat, cycle! Channelize energy, build team spirit, enjoy sports and games.
3. Enhance communication skill by conversing in English with family and friends.
4. Watch Discovery channel, Animals Planet, etc. to enhance your knowledge.
5. Explore your artistic skills and express through dance, yoga or swimming.
6. Drink lots of water and juices to fight the scorching heat of the summers.
7. Wear sunglasses and caps while you are out.
8. Observe and feel the beauty of nature with an early morning walk.
9. Limit your screen time and engage in activities, play board games and solve puzzles.
10. **Do all the Subjects' Home work neatly and thoughtfully and compile them in separate folders subject wise.**

Enjoy
