

**SWARAJ PUBLIC SCHOOL, DAMLA**

**SESSION 2025-26**

**Class –Nursery**

**Summer Enrichment work**  
**Fun-filled activities are here for you**

# My Dear Learner

Hope you are keeping well and safe

•We have planned summer vacations full of fun activities for our children. Kindly help them to do these activities through the summer vacations.

\*These are suggestive activities which will develop their cognitive and motor skills.

\*The idea is to enhance child's awareness of his/her surroundings ,safety and life skills.

# WELCOME

## Instructions for submission of work

Complete your work under parental guidance

Prepare your assigned models according to the given instructions

## **Incorporate Healthy Habits:-**

- Trim the nails and hair of your ward regularly.
- Guide them to wash hands before and after meal.
- Go for a nature walk to a park and encourage her/him to do body movement exercise.
- Encourage them to eat healthy food and say “No to junk food” like cold drinks /chips.
- Drink colourful and hydrated drinks made up of Mango, Watermellon, Strawberry etc.

## CONVERSATION SKILLS

- Good morning!
- How are you?
- I am fine Thank you.
- May I go to washroom?
- May I wash my hands?
- May I drink water?
- May I have my lunch?
- I need a pencil, crayon, eraser etc.
- My hands smell fresh.
- I am thirsty and hungry
- The food is delicious.
